

Neighbourhoods Fund 2024/25

Launches on Monday 11 September 2023

Do you have good ideas for projects that will build strong communities and bring lasting benefit to your local area? The Neighbourhoods Fund may be able to help.

There will be £630,000 to spend on a wide range of projects that support:

- Local action by communities
- Bringing different people together
- Making neighbourhoods come to life
- Funding between £500 to £5000
- Funding workshops online on 26 September and in person on 3 October

For more information and to apply online go to:
