

## Happy Feet Toenail cutting service for people aged 50+ Age UK Lewisham & Southwark

### Happy Feet!

Happy Feet is a toe and fingernail cutting service run by Age UK Lewisham and Southwark. The service is for anyone aged 50+ living in Lewisham and Southwark. Appointments start from £19.50. Most people use the service every 2 months, but how frequently you have an appointment depends on how fast your nails grow.

We are very excited that we will be starting a new clinic in partnership with the SGTO at Bell Gardens Community Centre! If you would like to find out more, or would like to make an appointment, please get in touch.
